**New Location! – Pflumn & Bichelmeyer Park. Next to the Shawnee Civic Center
Johnson Drive & Pflumn, Shawnee, Kansas**

Take this opportunity to experience the fastest growing cycle sport in the U.S. Ask anyone who's tried it, it's the most fun you can have carrying a bike!

The clinics are led by experienced 'cross racers and offer something for everyone from the novice who is learning how to get off a bike at speed to the fanatic who uses cyclocrossworld.com for an internet home page.

Course Format: Each week will focus on a 'cross skill; dismounting at speed, carrying the bike, running with the bike, remounting. There will be drills available to teach the skill to new riders and time available for experienced riders to pick up new tricks and practice.

The focus of the clinics is on developing new skills and sharpening old ones for the upcoming season.

....and the best part, thanks to the generosity of our sponsors, there is no entry fee for the clinics!!!!
(USAC Annual or one-day license required.)
