Course Description: Consisting of approximately 8.5 miles per lap. This fun, fast and challenging course is a mix of flowing hand benched singletrack, challenging climbs, blazing downhill, and a few fun features. The race will start with ¼ mile of gravel to allow nice spacing before your singletrack bliss begins. I guarantee this course will put a smile on your face no matter if you're a first time racer or a grizzled veteran. The 2014 course has even more sweet single track than last year.

Cat 1: 3 laps, **Cat 2:** 2 laps, **Cat 3 & JR:** 1 lap, **SS & Clyde:** 2 laps, **Marathon:** 3 hours
Promoter reserves the right to alter the intended course and or laps required at any time.

Event Notes: A trail system map and course map will be available for download for your pre-ride enjoyment. We will also be hosting a few group pre-rides leading up to the race. Look for dates on Blogger and on Facebook.

This event will be postponed to a rain date if it is believed that significant trail damage will occur by running the race on the scheduled date.

Directions: Wyandotte County Lake Shelter #3 is easily accessed from I-435, just north of Kansas Speedway. From I-435 proceed east on Leavenworth road, pass the main park entrance and take a left north on 83rd street, take a left at the park entrance, you will take a right at the lake and then a left at the sign saying shelters 3,5,9. Shelter #3 will be the first on your left. There will be plenty of signs to assist you on race day. Overflow parking will be available at the main trail head above shelter 9 just a short bike ride away.

Awards: Custom awards for 1st, 2nd, 3rd place in each category of each division. Cat 1 will also have 100% of category entry fee paid out as a cash prize.

Registration: Online registration is highly recommended. Registration will be available on race day ending 15 minutes before each starting time. Racers' meetings will be held 10 minutes before each starting time.

Fees: Online registration for Cat 1 \$30; Cat 2, 3, SS, Clyde \$25; Juniors \$15. Race day registration will be an additional \$10. Registration fees are not refundable. Cat 1 requires a yearly USAC license. All other classes require a \$10 one day UASC license, in addition to your race fee. All proceeds from the race will go directly to the Trail Masons Association to help build and maintain more singletrack trails for everyone to enjoy.
