2018 KBAR Competition

Riders will earn points in the category of race they have entered rather than the class of the rider. All points earned are tentative based on each Racer's Team/Club being in good standing with USAC and KCA. This includes having sponsored an event during the current year and being current with payment of all funds owed KCA. See rules for details. Racers who are scored incorrectly, or to the wrong team will have seven days after the web site posting date to request a correction.
